

Chestermere Regional Community Association
Summer Daycamp

INTERESTED IN VOLUNTEERING??

This summer, the Chestermere Regional Community Association (CRCA) will be holding a summer day camp for youth aged 6 to 12 years old and is looking for volunteers ages 13+. The camp runs weekly Monday to Friday, and offers you the opportunity to volunteer. Duties include looking after kids, helping them to cook, do crafts, and supervising them on field trips and bike trips. This summer the daycamp theme is “Going Green!” so if you have passion in this area as well, your help would be greatly appreciated. You can choose to help us in a variety of different ways:

- Volunteer on a set day every week (i.e. every Tuesday for bike trips or Thursday for field trips)
- Volunteer for a week at a time, starting Monday and working through to Friday.
- Volunteer any random day you feel like you can be of assistance

Why volunteer you might ask? Volunteering is an essential part of our lives. It allows us to give back to the community, and touch the lives of others. Volunteering can help you be successful in landing that next job, or getting into that college or university. It takes some commitment to be a volunteer, but the rewards you gain will be great!

All applicants will be interviewed, attend an orientation session, mentored, evaluated and recognized. We are committed to acknowledging the efforts of our volunteers and are more than happy to provide a letter of reference for you, to assist you through your next endeavour. 😊

Please feel free to contact Dustin Pivarnyk or Laura Ellis by email at recreation@chestermercra.com or by phone at (403) 272-7170 ext 225. We look forward to hearing from you, and hopefully working with you this summer!!!
