

CRCA COVID-19 Terms and Conditions

INDOOR FACILITY USE

As of April 8, 2021

Please note: The following indoor facility use guidelines are subject to any restrictions issued by Alberta Health Services, the province of Alberta, and the City of Chestermere. The CRCA will align with all new measures announced or rescinded. All users/groups MUST follow current provincial and Alberta Health Services guidance and restrictions. These Terms and Conditions are subject to change at the CRCA's discretion.

All group leaders and coaches (otherwise known as One Responsible Person - ORP (or designate)) are responsible for ensuring that their members observe regulations as follows:

- The CRCA requires members and guests to wear masks. If you are an athlete participating in high intensity physical activity, **you may remove your mask during exercise**. Coaches must continue to wear a mask at ALL times. If you are participating in low intensity activities, you must wear a mask at all times.
- Except for cohort groups, physical distancing of **three metres** should always be maintained while in the facility.
- All users must follow the province of Alberta and Alberta Health Services' [guidance on indoor/outdoor activities related to COVID-19](#).
- Organizations, groups and those hosting indoor recreation activities should refer to alberta.ca/biz for sport, physical activity and recreation support guidance.
- Each user group should follow their provincial or national sport's governing body guidelines related to COVID-19.
- If you are found bending/breaking facility rules, you will lose future booking privileges.

Group/One-On-One Conduct

- Coaches and instructors are to reinforce the message of physical distancing guidelines. The ORP (or designate) will be responsible for asking the COVID-19 screening questions to all participants attending and signing off with the CRCA, and that this is completed each time your group rents the facility.
- ORP (or designate) must keep a log of everyone in attendance in their group with the date recorded to ensure contact tracing should an outbreak occur.
- Customers will be responsible for supplying their own PPE, including masks and gloves, if they choose to use them. The CRCA will provide sanitizing wipes in the areas where the CRCA supplies the workout equipment, such as the office fitness area.
- Please follow all directional signage when entering and exiting and throughout the facility.
- Minimize time in and around the facility and in parking lots. Leave area and parking lot immediately following the booking time.
- All ORPs (or designates) must review and comply with AHS's mandatory health measures. The most up to date measures can be found here: <https://www.alberta.ca/covid19-communities-under-watch-public-health-measures.aspx>

General Rentals

- All indoor sporting rentals must be for minor sports (18 years and under) and only up to **ten people**, including the training staff/coaches per group.
- Indoor playing surfaces (for example, gym or ice) may be occupied by more than one youth group, as long as three metres of physical distancing can be maintained between groups of 10 and the groups do not intermingle.
- Adult group recreation is NOT permitted and must be cancelled. Adult training can still take place for one-on-one training with a certified trainer only.
- All participants must arrive no more than 15 minutes before their booking. Players should come dressed in gear as much as possible.
- Please follow the marked directional signage in the facility.
- Change rooms are open for a maximum of five people per room with physical distancing mandatory.
- Bring your own labelled, pre-filled water bottle.
- Showers will not be available until further notice.
- All participants must leave the facility immediately after their booking time to reduce the overlap of bookings and participants.
- Shared use of equipment/supplies is not permitted.
- Ice surfaces will not be flooded between each ice booking and will be at the discretion of arena attendants.
- Groups must leave the facility immediately after their booking time to reduce overlap of bookings and participants and allow for CRCA staff to properly clean and disinfect areas.
- Physical distancing of a minimum of three metres should always be maintained by spectators, unless from the same household or cohort.
- The user group must wipe down any fitness equipment used with wipes provided before and after each person's use.
- If you use tables, chairs, or sports equipment during your rental, the user group must wipe them down with wipes provided before and after use.

Spectators

As per AHS rules, parents are NOT allowed to spectate. One parent may accompany their child into the facility to get them into their activity; however, they must leave and wait for their children outside the building. To be clear, parents may not stay and watch or wait inside the facility for their athletes. Your child will be directed to exit the facility after their session. If the child cannot do so by themselves, a parent may enter at the end of the scheduled rental to assist.
